

## K-PO RS-40 SWR METER

€ 49,95

Excl. BTW: € 41,28

### Afbeeldingen

### Beschrijving

De K-PO RS-40 is een compacte SWR- en vermogensmeter

## Features

- Meter: Clear analogue meter
- Reading: Direct read out without calibration
- Insertion loss: Low insertion loss structure, can be connected permanently in your setup

## Electrical data

- Impedance: 50 Ohm
- Power range: 15 / 60 / 200 Watts
- Accuracy: 15 Watts:  $\pm 10\%$  (AVG) / 60 - 200 Watts:  $\pm 5\%$  (AVG)
- Minimum Power for SWR: 3 Watt
- Insertion loss: 0.3 dB or lower
- Testing function: SWR and Power (FWD)

## Mechanical data

- Input connector: 70 mm
- Length: 70 mm
- Height: 30 mm
- Width: 78 mm
- Weight: 180 gram

## Inside the box

- Meter: Yes
- Installation manual: English

### Productinformatie

---

Artikelnummer	RS40
Merk	K-PO
Is on Sale	Nee
