Beschrijving

The Junction box is used to repair Cat. 5e cables. Two different types are available, one UTP type for the unshielded cable and one STP type for the shielded cable.

With this box all 4 or 8 wired installation cables with AWG24 and with a cover from 4mm (UTP type) up to 6.2mm (STP type) can be installed.

Equipped with the modern LSA connection technology, all cables in accordance with EIA/ TIA or 568B can be easily installed.
