Beschrijving

The HP-280 Pro is a semi-open headphone with a comfortable fit. It has an extended frequency response in the low and high ranges. The headband is self-adjusting and the ear pieces are large with vinyl finishing. Whether you are monitoring, mixing or just listening to music the HP-280 Pro gives you comfort and a natural and deep sound. The same model is also available as closed back, HP-290 Pro, D1811.
